People directory and system settings

LIGHTHOUSE CONSTRUCTION

01 GETTING STARTED

How to access and navigate the LHC Operating System

Accessing the System

LIGHTHOUSE CONSTRUCTION

01

Open Your Browser
Go to lhc-os.vercel.app from any device

02

Sign In
Use your @lighthouseegypt.com email and password

03

Dashboard Loads
You land on the Overview page automatically

04

Works Everywhere
Desktop, tablet, or mobile browser — no install needed

Your Dashboard

LIGHTHOUSE CONSTRUCTION

↗

Active Projects
All projects currently in progress

✓

Tasks & Completion
Total tasks and how many are done

⚠

Overdue Items
Tasks past their deadline needing attention

👥

Team Members
Total active employees in the system

LIGHTHOUSE CONSTRUCTION

02

PROJECTS & TASKS

Tracking work, assigning tasks and monitoring progress

Projects — Board View

LIGHTHOUSE CONSTRUCTION

01

Find Your Project
Click Projects in the sidebar to see all active work

02

Four Columns
To Do → In Progress → Review → Done

03

Drag & Drop
Move task cards between columns to update status instantly

04

Task Details
Each card shows priority, department, deadline and assignee

List View & Timeline

LIGHTHOUSE CONSTRUCTION

LIST VIEW

- See all tasks in a sortable table
- Change task status via dropdown
- Filter by priority or department

TIMELINE VIEW

- Visual Gantt chart of all tasks
- Red line marks today's date
- Overdue tasks highlighted in red

LIGHTHOUSE CONSTRUCTION

03
COMMUNICATION

Company-wide and department announcements

Announcements

LIGHTHOUSE CONSTRUCTION

READING ANNOUNCEMENTS

- All announcements appear in the Announcements page
- They also appear on your Overview dashboard
- Sorted by newest first, with author and date shown

POSTING (MANAGERS)

- Click + Post Announcement to create one
- Set title, body, priority, and target department
- Email notification sent to all relevant team members

LIGHTHOUSE CONSTRUCTION

04

SITE & DOCUMENTS

Daily site reporting and centralised document management

Site Reports

LIGHTHOUSE CONSTRUCTION

01

Open Site Reports

Click Site Reports in the sidebar then + New Report

02

Fill the Form

Project, date, type (daily/weekly), manpower, work done

03

Log Issues

Add weather conditions, problems, or relevant site notes

04

Submit

Management reviews and marks reports as Reviewed

Document Vault

- Click Documents to access the centralised file repository
- Upload PDFs, drawings, BOQs, contracts, RFIs, submittals and more
- Tag files by category and link them to a specific project
- Managers can approve documents and send them directly to clients by email

LIGHTHOUSE CONSTRUCTION

05

TEAM & ADMIN

People directory and system administration

People & Admin

LIGHTHOUSE CONSTRUCTION

People Directory
View all team members, departments, roles and contacts

Find the Right Person
See who owns a task and how to reach them

Invite New Staff
